

Physician Advisory Board

Advancing Healthcare Together

Be part of our mission to transform healthcare through collaboration and innovation. Your expertise can help shape the future of NP/PA practice & improve patient outcomes.

ADVOCACY

Advocate on behalf of ThriveAP to our current and future healthcare partners.

GUIDANCE

Provide insights on improving patient care.

COLLABORATION

Collaborate on the development of the ThriveAP Roadmap within medicine and across other healthcare fields.

MISSION

To be nationally recognized as the leader in NP and PA transition to practice and healthcare workforce development.

VISION

To advance Nurse Practitioner (NP) and Physician Assistant (PA) transition to practice and healthcare workforce development through excellence in teaching, innovation, analysis, and outreach.

BOARD MEMBERS:

Be a part of a small, select group of physicians who are:

- Current ThriveAP clients
- External industry experts
- Regionally diverse
- Varied in specialty expertise
- Academically experienced

PARTICIPATION REQUIREMENTS:

- Attend an annual in-person meeting
- Participate in client reference calls as needed
- Contribute to program reviews and offer ideas, with evolving requirements

First in-person board meeting for Q3 2024 is scheduled for **Wednesday, September 17, 2025.**
