

LATEST HEALTHCARE INSIGHTS FOR NPs & PAs

Rise & Thrive Workshop Series

ThriveAP offers the only comprehensive Saturday Workshop Series focused on topics critical to the success of nurse practitioners (NPs) and physician associates (PAs). Our program offers the latest in evidence-based practice and empowers providers to practice at the top of licensure while fulfilling their required continuing education hours with a series designed specifically with them in mind. Participants receive access to presentations and recordings to review the content in practice at any time.
