

Optimize Your NP & PA Workforce

# Upskill Your Nurse Practitioners & PAs in Emergency Medicine

## Overview

ThriveAP's Emergency Medicine Specialty Program is a 12-month comprehensive curriculum to help employers attract, retain and upskill nurse practitioners (NPs) and physician associates (PAs) to develop confident and competent care in emergency medicine. Our live and online courses, with 10 start dates annually, improve access to care, mitigate learning gaps, and educate providers to efficiently address the complex needs of patients in emergency medicine. The guided curriculum promotes collaborative, evidence-based practices and patient-centered care, awarding 75 to 100 hours of CME/CE upon completion. Employers obtain data-driven insights of their participants each month, while ThriveAP learners gain expertise, professional development, and one-on-one coaching from highly respected leaders in emergency medicine, alongside a supportive cohort of peers.

## Program Endorsement

ThriveAP's Emergency Medicine Program is a synchronous and asynchronous curriculum supporting inpatient and outpatient care that is endorsed by The American Academy of Emergency Nurse Practitioners (AAENP). Participants in the ThriveAP Emergency Medicine Program gain access to AAENP's membership benefits including resources, tools, and support for professional growth.

## Course Details

### Improved Patient Access to Care

Enhance provider billing, coding, charting and documentation skills.

### Efficient Provider Workforce

Optimize provider billing, coding, charting and documentation.

### Reduced Ramp-Up Time

Quickly onboard providers to perform at top of licensure with highest-quality care.
