

Optimize Your NP & PA Workforce

# Upskill Your Nurse Practitioners & PAs in Family Medicine

## Overview

ThriveAP's Family Medicine Program is a 12-month comprehensive curriculum to help employers attract, retain and upskill nurse practitioners (NPs) and physician associates (PAs) to develop confident and competent family medical care. Our live and online courses, with 10 start dates annually, improve access to care, mitigate learning gaps, and educate providers to efficiently address the complex patient needs in family medicine.

## Program Details

ThriveAP's Family Medicine Program is a flexible, synchronous and asynchronous curriculum that aligns with residency objectives in family medicine. The guided program promotes collaborative, evidence-based practices and patient-centered care, awarding 75 to 100 hours of CME/CE upon completion. Employers obtain data-driven insights of their participants each month, while ThriveAP participants learn alongside a supportive cohort of peers, gaining expertise, professional development and one-on-one coaching from highly respected leaders practicing family medicine.

## Course Details

*didactic clinical education* x **46 weeks** *professional development discussion*  
**90 min. session each week**

### Improved Patient Access to Care
