

Optimize Your NP & PA Workforce

# Upskill Your Nurse Practitioners & PAs in Hospital Medicine

## Overview

ThriveAP's Hospital Medicine Specialty Program is a 12-month comprehensive curriculum to help employers attract, retain and upskill nurse practitioners (NPs) and physician associates (PAs) to develop confident and competent care in the hospital setting. Our live and online courses, with 10 start dates annually, improve access to care, mitigate learning gaps, and educate providers to efficiently address the complex needs of patients in emergency medicine. The guided curriculum promotes collaborative, evidence-based practices and patient-centered care, awarding 75 to 100 hours of CME/CE upon completion. Employers obtain data-driven insights of their participants each month, while ThriveAP learners gain expertise, professional development, and one-on-one coaching from highly respected leaders in hospital medicine, alongside a supportive cohort of peers.

## Program Details

ThriveAP's Emergency Medicine Program is a synchronous and asynchronous curriculum that is endorsed by The American Academy of Emergency Nurse Practitioners (AAENP). The educational programming is also in alignment with the Accreditation Council for Graduate Medical Education and Internal Medicine Milestones Framework, as well as in collaboration with University of Texas Medical Center, Baylor Scott & White Health, Adena Health System, Riverside Healthcare, and more.

## Course Details

**Faculty 1:1  
Coaching**

**Peer to Peer  
Support**
