

SHAPE THE FUTURE OF HEALTHCARE

Join Our ThriveAP Faculty

Inspire tomorrow's leading advanced practice providers

Are you a practicing, board-certified NP or PA who desires to impact the future of healthcare and share your expertise with other APPs in your field? Are you passionate about educating the nation's next generation of nurse practitioners and physician associates?

At ThriveAP, we are continually looking for seasoned faculty to represent our organization as experts in their respective fields. We value thought-leaders who can offer the latest clinical advancements and professional development to address today's healthcare challenges.

To apply, visit
www.thriveap.com/thriveap-speaker-application

As a faculty member at ThriveAP, you will receive:

LEADERSHIP RECOGNITION

Recognition as a leader in provider education with an impact on tomorrow's NPs & PAs

HONORARIUM

Competitive honorarium & exclusive ambassador discount for up to five APPs

PUBLICATION OPPORTUNITIES

Opportunity to publish on ThriveAP Blog and thought-leadership publications

We look for NP & PA leaders and educators who can:

- Present captivating case studies & the latest evidence-based practice
- Enhance our learner's knowledge about coding, charting, & team-based care
- Share insights on professional development & improving wellness & self-care
- Educate about practicing within a team, sharing tips & pearls about growing as a confident leader
